Sign up for our summer camps before **APRIL 7th** for special discount. (Yoga, Critical Thinking, Ocean, Recycle Art, Space, and Art/Drawing)

HELP SAVE THE EARTH:

RECYCLE

Recycling saves energy and water, lowers pollution and greenhouse gas emissions, It improves air and water quality.

THROW AWAY YOUR LITTER

The U.S. spends 11.5 billion dollars on litter clean up every year.

TURN OFF LIGHTS

Turn off lights when you're not in the room and unplug appliances when you're not using them. It only takes a second to be environmentally conscious.

Dance Class

Public Speaking

Science Class
